**MULTI-GAME TOURNAMENT**

SYNKROS On-Demand Tournaments allow the patrons to choose their favorite game theme to play.

**TRUE-TIME WINDOWING**

True-Time Windowing enabled EGM screen shows the True-Time Tournament theme patron selection screen.

True-Time Tournaments™ is a revolutionary SYNKROS® delivered tournament product that consists of a Tournament Director module to manage the operational functions of a tournament as well as a module that brings entertaining tournament games directly to the player. Depending on marketing strategy and goals, True-Time Tournaments offers two ways of delivering system-based tournaments to players: synchronized start time tournaments using SYNKstart™ and player On-Demand tournaments.

**MULTIPLE TRUE-TIME TOURNAMENT GAME THEMES ALLOW OPERATORS THE ABILITY TO KEEP THE THEMES FRESH AND KEEP PLAYERS EXCITED TO PARTICIPATE.**

# TECHNICAL SPECIFICATIONS

## CONFIGURATION

- ▶ Tournament Type defines the tournament as On-Demand or SYNKstart synchronized. On-Demand Tournaments are player initiated, while SYNKstart Tournaments can only be initiated by an employee, via SYNKROS® Tournament Director.
- ▶ Games marked as active will only be available for play during specified start and end times, but leader boards will remain visible on all signs until inactivated.
- ▶ Game lengths can range from 1 to 30 minutes long. Longer games mean higher scores!
- ▶ Invitations can be stopped at a predetermined time before the end of the tournament, to ensure that patrons are not playing at the time the winners are announced.
- ▶ Tournaments entries can be awarded as incentive bonuses by selecting the Tournament option in the Incentive Maintenance form.

## TOURNAMENT DIRECTOR

- ▶ From the True-Time Tournament™ Director, users can see current patron scores and rankings as well as the number of entries yet to be played.
- ▶ The running tournament statistics are updated at configurable intervals or can be 'refreshed' manually to view near real-time results.
- ▶ Patrons currently playing are listed, while the built in search feature allows users to sort rankings and the player list.
- ▶ The Tournament Director also allows employees to control SYNKstart Tournaments with the ability to put machines in standby mode, start rounds, and advance rounds and heats.
- ▶ Additionally, employees can issue manual tournament invites to any patron with a player's club account.

FEATURES	BENEFITS
<b>Growing library of tournament slot themes available for patron selection</b>	Retain patron interest by allowing them to select their tournament theme for an On-Demand Tournament. Current themes include: <ul style="list-style-type: none"> <li>▶ Romancing the Reels</li> <li>▶ Hero Collection</li> <li>▶ Midway Madness</li> <li>▶ Fruit Funds</li> </ul>
<b>Automate tournament operations with SYNKstart True-Time Tournaments</b>	Reduce labor by using the Tournament Director module to administer operations such as tournament sign-ups, scoring, and scheduling. Fully animated instructional video offers guests' optional information to play tournaments.
<b>Tournament invitations easily delivered through the True-Time Bonusing Tool Kit</b>	Invitations awarded via incentives or other bonusing options within SYNKROS on any machine. Award entries based on a variety of play criteria, such as wager, points earned, time on device, etc. Patron can elect to play the tournament at the time of invite issuance or play at a later time.
<b>Eliminate the need to partition tournament games on your casino floor</b>	True-Time Windowing™ games can be placed anywhere on the floor and can go into tournament mode at the touch of a button. Windowing games can continue to earn revenue while in standby and before or after a tournament.
<b>Leader boards with digital signage support</b>	Built-in leader boards can be broadcasted to your digital signs anywhere on the casino floor.* Leader board backgrounds can be customized to suit your particular tournament theme.
